

## **Impact Assessment Survey of IIIPI's Services under IBC, 2016**

The Insolvency Professional Agencies (IPA) are the front-line regulators in IBC ecosystem having Regulatory, Executive and Quasi-Judicial functions. The smooth and effective functioning of the IBC depends, inter alia, on the functioning of the IPAs. Indian Institute of Insolvency Professionals of ICAI (IIIPI) is the largest IPA in India with ~63% IP memberships and ~75% assignments under IBC being managed by its members.

Active regulatory bodies often undertake the measures for the consistent improvements. With the motive of providing the best services and to overcome hardship, if any faced by the stakeholders, **IIIPI under the advice of Insolvency and Bankruptcy Board of India (IBBI), is undertaking the 'Impact Assessment Survey of IIIPI's Services'.**

In view of the above, IIIPI would like to have your feedback on the overall functions of IIIPI as envisaged under IBC, 2016. This regulatory impact analysis will critically examine the positive and negative effects of the statutory role and responsibilities discharged by us and assess the performance as envisaged under the Code.

Your views will act as catalyst for improvement where it is due and motivate us to continue where we excel.
