IIPI mark its Global Presence by Associating with INSOL International, UK

Indian Institute of Insolvency Professionals of ICAI (IIPI), the largest IPA and frontline regulator under IBC in India has marked its global presence by securing the associate membership of London based INSOL International, a world-wide federation of national associations of professionals. Now the Insolvency Professional (IP) members of IIPI can avail individual co-membership of INSOL International at much concessional terms.

Dr. Ashok Haldia, Chairman of IIPI's Governing Board, mentioned "With this association, IIPI will be represented through INSOL International on the global stage for law reform and best practice developments. This would also help our IP members in building their capacity and capabilities, especially when Cross Border Insolvency is on anvil in India."

"I would like to take this opportunity to welcome IIPI to INSOL International and I am sure that this will prove beneficial to all concerned. We look forward to seeing IIPI's members at our events, as well as participate in various INSOL's projects and initiatives," said Mr. Jason Baxter, Chief Executive Officer, INSOL International in his message.

As a leading IPA of the country, IIPI has taken several out of the box initiatives for providing high quality professional education and research insights to IPs, policy makers and other stakeholders of the Insolvency and Bankruptcy Code, 2016 (IBC), thereby strengthening the IBC ecosystem in the country.
